

****Title:** "Bears: Furry Friends of the Forest"**

****Page 1:** Colorful Illustration of a big, fluffy bear**

****Text:** "Meet the bears! They are big, furry, and live in the forest."**

Page 2: Illustration of different types of bears (polar, black, brown, and grizzly) **Text:** "Did you know there are many kinds of bears? Some live in the cold Arctic, while others live in the forest or even in the mountains!"

Page 3: Illustration of a bear eating berries **Text:**
"Bears love to eat! They munch on berries, nuts, and honey. Just like us, they need food to stay healthy and strong."

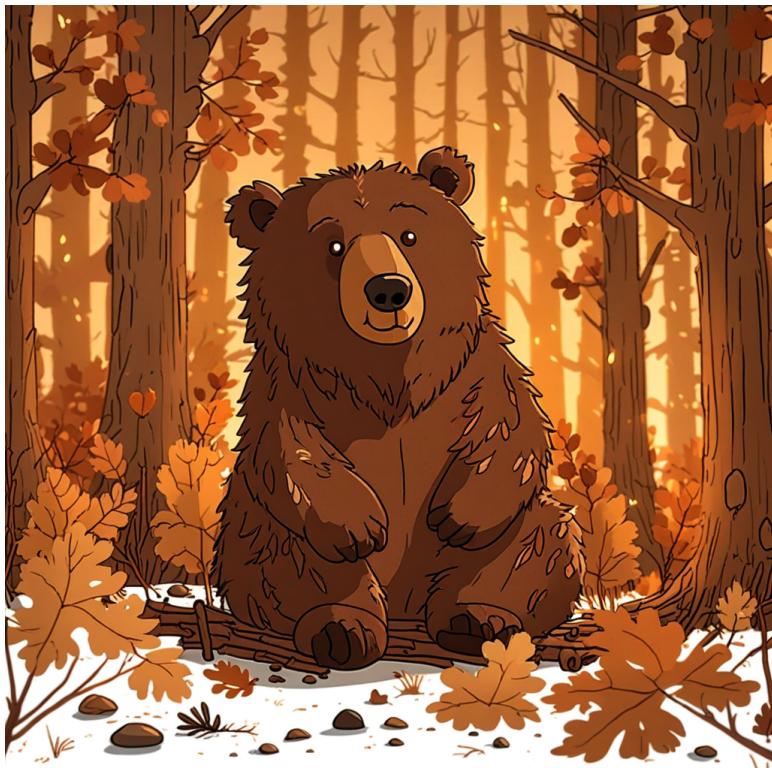

****Page 4:**** Illustration of a bear climbing a tree ****Text:****
"Bears are great climbers! They can climb trees to find food or to take a nap. Can you climb a tree like a bear?"

****Page 5:** Illustration of a bear hibernating ****Text:**** "In the winter, bears sleep a lot. They hibernate to keep warm and cozy. It's like a long, cozy nap!"**

****Page 6:**** Illustration of a bear playing with its cubs
****Text:**** "Bears love their families! They take care of their babies, called cubs, and play with them in the forest."

Page 7: Illustration of a bear's den **Text:** "Bears live in dens, which are like cozy little homes. They sleep, eat, and play in their dens."

Page 8: Illustration of a bear swimming **Text:**
"Bears are great swimmers! They can swim in rivers and lakes to cool off or find food."

Page 9: Illustration of a bear's fur **Text:** "Bears have soft, fluffy fur that keeps them warm. It's like wearing a big, cozy blanket!"

****Page 10:**** Illustration of a bear and its reflection in a lake ****Text:**** "Bears are curious! They like to explore and learn about the world around them."

****Back Cover:**** ****Fun Facts:**** Did you know that bears have a special sense of smell? They can smell food from far away! Bears also have strong claws that help them climb and dig.

****Remember:**** Always respect and appreciate the bears and their homes. We can learn a lot from these furry friends!
