

Title: "Roar! All About Lions"

Page 1: Colorful Illustration of a Lion Text: "Meet the King of the Jungle! This is a lion. Lions live in the savannas and grasslands of Africa and India."

Page 2: Illustration of a Lion's Face Text: "Lions have a special face. Can you find their whiskers? Whiskers help lions feel their way in the dark."

Page 3: Illustration of a Lion's Body Text: "Lions have a big, fluffy mane. The mane helps keep their neck warm in the cold nights. They also have strong legs and sharp claws."

Page 4: Illustration of a Lion's Habitat Text: "Lions live in groups called prides. A pride can have up to 30 lions! They like to sleep in the shade during the day and hunt at night."

Page 5: Illustration of a Lion Hunting Text: "Lions are great hunters. They work together to catch their prey. They use their sharp claws and powerful jaws to catch their food."

Page 6: Illustration of a Lion's Cubs Text: "Lion cubs are born after a gestation period of about 110 days. They are blind and helpless at birth, but they grow fast. Cubs start to eat meat when they are about 6 weeks old."

Page 7: Illustration of a Lion's Social Structure Text: "Lions live in a social hierarchy. The queen lion is the leader, and the king lion is her mate. The cubs and other lions look up to them for protection and food."

Page 8: Illustration of a Lion's Communication Text: "Lions communicate with each other by roaring, growling, and making other sounds. They also use body language to show how they feel."

Page 9: Illustration of a Lion's Conservation Status Text:  
"Unfortunately, lions are endangered. Humans have taken over their habitats, and they are hunted for their fur and body parts. We need to help protect lions and their homes."

Page 10: Colorful Illustration of a Lion Text: "Remember, lions are amazing creatures! Let's do our part to protect them and their homes. We can all make a difference!"
